THE HOLE'S TRUTH

The Madlyliving Chronicles™

By Madly Jane Copyright 2020

Could have been the best of friends ... to the very phucking end!

He was truly the best of men ... in my life

Mr. Man, Mr. Man!

I used to chant to him

I often glanced at him in ... wonder

What about me, what about ... we?

My Gawd, how I loved the dance with him!

Such freedom, such thunder!

So powerful in his presence

so smart, so in charge, so thoughtful, so large

Just so beautiful in his essence

Mr. Man always had a plan

on how to get us ... a man!

So damned good look'n

and had the nerve to be good at cook'n, too!

Gawd helped me ... this man would rub my feet

as he listened to my ramble'ns on about my hectic week

Mr. Man was not just out chase'n sales

He said, Madly, forget the bargain plans, seek quality in a man

**Mr. Man would concoct a new tail
and we would sit, sip, eat, laugh, talk and rail ... for hours
and I mean, about everything
he was like your best buddy, your true confidant and your closest sibling
all rolled into to one ... man
I mean, just about anything, the scent of fresh flowers to investment plans
amongst his greatest cause
my greatest applause, the power of being a woman
Madly, you're not using your Gawd-given ... for get'n you a good man!
Always seemed to be look'n out for me ... and my happiness
Always fuss'n at me for my sappiness
when it came to pick'n a man!**

So what did he do? Mr. Man set out a *Hole Life* plan:

***Madly, meet me at 7:00pm at the 20-11 Club
Seated center left, grey hair, white tie, big guy, your type
Where I would, of course, arrive, wide-eyed and obliged
[Oh wow, oh how me and Mr. Man would laugh about it ... now]***

***Madly, girl where were you last night?
I think I found your Mr. Ultimate Boo
I'm tell'n you, he is the right man ... for you!
When, dang it, I missed my que ... my wifely debut
[Oh wow, oh how me and Mr. Man would laugh about it ... now]***

***Madly, I'm having a dinner party Saturday
Girl, but don't you look a hot mess!
So, go on, get yo shyt together; oh, and wear that red dress
I don't care; just be there, okay?
I would get so flustered, how would I even muster?
What! Seriously, you just tell'n me this, now?
No way, no how, I can't be ready by then!***

My Gawd, just the best in a friend
[Oh wow, oh how me and Mr. Man would laugh about it ... now]

Some oh, so, great times
me and My, uh, uh, Mr. Man just looking out ... for men!

Then, a day, surely, he would come
Madly, I want you to meet my new ... boyfriend
[much to my heart's disdain]

His name was Ben
Madly, this is it! I've found The Man of Men!
I want you to tell me honestly, what you think!
My eyes, fighting back the tears, triple blinked

My heart, biting the fear, did sink
Why, I got so mad, to see
so sad ... for me

that night, I took a double drink
so, what if I don't want to be so nice
No, shamefully, I wasn't very polite!

But, why was I trip'n so hard?
What, because he was ... white?
I'd guessed, it all just caught me off guard
Perhaps if I'd've played my cards ... right
Keep it real, Madly, he's just another man!
After all, that was always the plan!

Oh how everybody liked Mr. Man and his new friend
What could I say, they were a perfect match ... grounded, genuine

Dam you, Ben!
Just good together
We began calling them The Good Fellas
I mean, the both of them ... happily attached
I will say that WE were all ... jealous

Anytime you'd see them
they would tell us about all the good stuff they were doing ... together
travel'n, fish'n, ski'n, even wash'n dishes, cuddle'n, pee'n
Oh how we would laugh
Ben would gasp ... at such intimate details
Just so close
always kiss'n, hold'n hands, laugh'n, giggle'n, embrace'n
take'n good care of ... each other
[y'all need to know]
They were so much more than ... lovers!

Mr. Man was like the boyfriend, the husband, the uncle, the brother
I'd always wanted ... for me
The kinda man I would have wanted my sons ... to be
The one I'd always wished could love ... me ... that way
Oh Gawd, I miss him to this and every day
I know I should have never let him go!

Noooo! I was done in
But, we all knew it was come'n
Ben took a job in the Windy City
Mr. Man was so happy, so alive, all of giddy!
I half-heartedly decided that I must be happy for him, too
At the airport, he hugged me so tight, so long
Then, he kissed me [on my lips] ... twice, nice, strong!
For daze, I was phucked up over him leaving ... me
For days, I think I was depressed
Just not the kinda guy, one could easily forget

Oh, Mr. Man, Mr. Man
I sure do miss you
and all of your plans ... for me!

**Somehow, I knew he would miss me, too!
So true! Oh, I never wanted him to go!**

[long sigh]

**Insofar Azz I know
As far as men go
Mr. Man was, to me, the greatest I'd never let know
that ... I loved ... him!
Yup, I finally told'm [*with my silence*] as he walked away
Even when he turned back to say ... *I know*, oh, I could tell
he loved me ... too!
Oh WOW!**

[*Oh how, I can laugh about it ... now*]

**Yup, I shoulda phucked him, damn, that one night!
If only I'd taken a chance
No, really, I woulda phucked him and, and ... good and right?
What an azz ... I am
falling for so much more than ... a man!**
