Wait Kuwate

(A New Twist To The Booty Call)

Situation No. 170

Unphuckingbelievable!

You boys just don't give up; do you!

I mean, *What In A Phuck!*

What does it even mean, to you?

My Gawd, what is it with this relentless booolshyt!

***[My firey 40s, always in heat; understood
on speed dial with priority, stuff so good
No, really, I would WAIT ... for it]***

But, I mean, still, even if

What woman in her right *phucking* mind would do ... this?

**Did he really just wake my azz up
in the middle of the night about anything other than
*A Good Phuck'n!***

**Oh, I know he didn't really say, *Hey, what you up to?*
like it was noth'n!**

**A Hole's 300 miles away, I live
just me, my condo, my work, a little church, sports car, in charge, live'n *[my]* large**

Oh, I know he didn't just ask me to ... *keep his kids?*

Hmmm!
Now, wait Kuwate!

I'm thinking, this is just all very odd!
Some'm about business, work, money, his day job and such
Well, let me just go on and say, *Omm, Omm! Naaah! No! Too much!*

Oh yes, I'm up ... now!
[thinking back on some good dyck, uh, uh, I mean, good days, as we lay]

Yes, I, I guess, maybe, well, okaaay!
And I mean, and let me just say
like, even if I do this, well, I mean, some day, like not now?

This is how ... you wake me up!
What The Phuck!

Uh, uh, Madly, hey, oh, what you do'n up?
Sorry to call you so [phucking] late
But this, this can't wait
I so need you right now!
[So, you know my Hole's world got so excited - a late date]
I thank the Good Lawd, it's Kuwate!

No Madly, I mean, I reeeally need you ...
[Oh, yes, you guessed it, I'd taken a phucking's bait]

*No, no! What I mean is, I need you to do me, uh, uh, a favor
and, and you once said you would, if I ever did ...
Seriously though, no, really, can you keep my ... kids?
On, onl, only a week!*

*At this, truly, I don't know what to say
Phuck, I'm half asleep!
[though delirious, I could hear his phone beep]
Serious, you got me on hold!
So, and though, I'm considering the [phucking] possibilities
Damn, but, really, a Hole's week!*

Wait Kuwate!

*I mean, I'm kind, yeah, sweet
and I don't mind a visit ...
Maybe fix'n the babies something to eat
But well, what [in a phuck] is this ... really?*

*Madly, you there, can you hear me?
Barely!*

*And why is he whispering and ain't say'n so much
So, already, you know, awh shyt, something's up!
[phuck]*

*Though, naturally, I say, Sooo, is everything okay?
You alright?*

*What, you [and baby mama] had a fight?
Did something happen?
unlike usual, he wasn't joke'n, not at all laugh'n
So, what are you saying?*

Noth'n!
[and I mean, no nut'n to me at all?]

Surely, it's something?
Oh, I know it has to be
for you to be ask'n ... me!

No!
Oh, okay, really?

Though, even if, but where ...?

Whoa, whoa! Wait Kuwate!

You mean, here ... with me ... my place?
My Gawd man, what [in a phuck]!
Do you even realize what you're asking of me?
Oh now, boy, please!

Veins protrude'n in my forehead
as I sit straight up in [phucking's] bed
I clinch my teeth
such tension in my neck
I break out in a pissed-cold sweat
To keep from scream'n
those step-motherly-like demons
and before I say something I will [phucking] regret
I count to three and I take a big-o-deep breath!

[his phone beeps and again, I'm on hold]

**Annoyed, horny, *Holely* disjointed
so sleepy and so deeply disappointed
I blankly stare and, and *shyt*, it's cold in here!**

**I grab a throw and go sit in my favorite *[phucking]* red chair
and ask myself, *Why should I even [phucking] care?***

**I debate, well, *Hell*, it's *Kuwate!*
*[creative tongue, frankly, hung, A Hole's lot of fun
all bases covered, a phucking's home run]***

Hello! Sorry Madly, you still there?

***So, wait Kuwate!*
*Like, even if, just how many ... children?***

***C'mon Madly, you know me
It's only the three, not including the baby
So, oh, one, three, six and my oldest is turning ten!***

And, and again, still think'n, even if, so, so when?

***Whoa, oh, you mean, today!*
What! Ho, Hold! No, really, you're on the way!
[Ain't that just too far to ... cum?]
*Uh, uh, well, I'm just, just ... stunned
and, umm, I really just don't know what to say!***

[Seriously, again, this phone relay]

*Madly, Madly, hey, you there?
I, I just want to be sure ...
You know, before ..., that it's okay
I mean, for all of them to stay?*

*Wait! Wait Kwate!
I'm sorry, what did you just say?
Even if ... who all are we talking about?*

*Just my Cousin Bumpy; remember, I told you about him
You know he stays with me
and, and his son Lil Bit
now, now, but you gotta watch him
he can be a bit jumpy
and he ain't too quick*

Wait what!

*No, no, I can't leave them home
No, you don't understand; I cannot leave them alone*

Wait who?

*No! Oh, they must come, too!
So, Madly, is it alright they [all] stay with you?
I'll be gone just a few ... weeks
I should be able to pick them up when I pass back through*

*But first, we [all] really need to get some sleep a bit
Please, just help me out with this
When I get there, I'll tell you all about ... it!*

*I close my eyes, throw back my head and pray
Lawd, if this ain't some Hole new shyt today!
Gawd gives me strength for I don't know what to say
except, Well, then, I guess, yes, yes, [damn it] o, o, okay!*

*In his background, I could hear the baby cry'n
the children screech'n
a lot of curse'n, phone steady beep'n
and it's December, so outside it's snowy and freeze'n cold
[his phone beeps one last time; he puts me on hold]*

*Now, maybe I'm too old; call it vanity
But, do I look like somebody's [other] mother, a maid, a nanny?
So, to even consider help'n the brotha out is ... [phucking's] insanity!
I plunge my head into my pillow, as I scream and shout fitting profanities*

Wait Kuwate, you are kidding me!

*I am [phucking] 43 years old!
Though, oh, to him [hung and and, well, that tongue]
I say warily, Okay, come on
stay strong
won't be long
I'll put the kettle on!*

*Oh, Madly, THANK YOU and uh, you got anything to eat?
So, anything sweet?
What, no cereal, eggs, milk, bread?
An extra bed?*

[heart palpitations]

Wait Kuwate! What?

*I mean, what can I say
in such a [phucking] situation?*

*Well, Gawd damn!
Oh, oh, I get it! Stop teasing me, man!
Understand, a young'n, always clown'n around
So, I'm waiting for, I gotchu, now!*

*But, nothing
Nope, no [phucking] clue
I was hoping he'd say, C'mon, Madly, I'm just phucking with you!*

*So, I'm thinking, What [in a phuck] is this?
Some new booolshyt!
A new twist in The Booty Call
Just my [Hole phucking] family in the next room, is all!*

*With no nut'n come'n, [you hear me] I am blown away
I truly just don't know what to think, let alone, say
[now remember, this is all over a good ... lay]*

[alls too quiet]

*Soooo, what's the problem, now?
I already said, Okay!*

But, why he ... stalls?

*Uh, uh, Madly, there's just one more thing
Please, you have to do me this big[ger] favor
Again, why he belabors *The Hole's* point*

*Well, see, okay, truly
I just got married
No, oooh, didn't I tell you
and, and I don't know what else to do
You've been such a good [phucking] friend
kind, genuine, and, and, plus
no, it's true; I really, really like you
So, when I thought of ... who?*

*Madly, you, you gotta do this for me!
I'm, I'm just begging you, please!
Can, can ... my wife come, too!
I'll be back in three weeks
I promise you!*

What! Wait!
